

01 High Card

The lowest way to win, you have no other combinations.

The highest card is an Ace of Hearts

02 Pair

Very common, two cards of the same kind.

A pair of Aces, Clubs and Hearts.

03 Two Pair

You have two pairs, pretty self explanatory :)

Two pair of Kings and Queens

04 Three Of A Kind

Now we're talking, you have three cards of the same type.

Three Aces, Spades, Clubs and Hearts.

05 Straight

A series of five cards not of the same suit.

A Straight from Five to Nine.

06 Flush

Five cards that are all of the same suit. No order needed.

A Flush of Hearts.

07 Full House

A combination of a three of a kind a pair.

A Full House, Three Aces and A Pair Of Kings.

08 Four Of A Kind

Low odds but high reward, all suits of one card.

A Four Of A Kind, All Suits Of Ace.

09 Straight Flush

The second best hand, a flush and a straight.

A Straight Flush Of Spades From Five To Nine.

10 Royal Flush

A straight flush from Ten to Ace. Go play the lottery.

A Straight Flush Of Spades From Five To Nine.
